

## PCGMS FIELD TRIP – COLLECT PETRIFIED WOOD Sunday, August 25th

The Pine Country Gem and Mineral Society invites you to join us in an excursion collecting petrified wood. In conjunction with their annual show (August 24<sup>th</sup> and 25<sup>th</sup>), PCGMS has arranged for a field trip to the Lake Sam Rayburn area where petrified wood is in abundance. The number of participants will be limited to 20 individuals, so sign up early to reserve your spot. All participants must be a member of a club affiliated with the SCFMS. The fee is \$ 25 per person. **Your reservation is completed once the registration form and fee has been received.** Please note that each participant is required to submit a registration form. If you are participating as a family, each family member must submit his/her own registration form. Should you have any questions contact Paul James at (409) 429-7444 or Fred Brown at (936) 661-1024.

You are responsible for bringing your own gear, refreshments/lunch, plenty of fluids, sunscreen, chigger spray, etc. PCGMS is not providing transportation. You will be using your own vehicle. Once we meet at the gathering place, some of you may want to carpool. The site has controlled access so please be on time.

The particulars are as follows:

We will meet at the Stump Restaurant (3819 Hwy 255, Brookeland, TX 75931) beginning around 6:30 am. Departure time for the site is 7:00 am. Plan to be there by 6:45 am as release forms must be completed. We will collect petrified wood until 1:00 pm or so and then on to the waterfall excursion. Again, this trip will be led by PCGMS members and “Master Naturalists” - Keith, Lori, Ron and Ellis.
